MAXHUB SPEAKERPHONE

Bluetooth Speakerphone
for Teleconference

360° Omnidirectional Audio Pickup¹

Crystal Clear Sound Effect | Wireless Charging²

8-hour Playtime³

360° Omnidirectional audio pickup,
guarantees everyone to be heard

Engineered to fill up large conference room with clear sound, MAXHUB SPEAKERPHONE supports 360-degree omnidirectional audio pickup.

6 Array | **360°** | **5 Meters⁴**
Microphones | Omnidirectional | Sound pick up

Get crystal clear calls with
MAXHUB SPEAKERPHONE

PZM | **High Performance**
structure design | speaker
Acoustic Echo Cancellation | **Noise Reduction**

Set up in seconds, that's it

Seamless Connection | **Plug and Play**
Simple set up via Bluetooth,
USB or audio cable⁵. | Instantly operational
after connection.

Multiple Devices Connection
Connects up to 3 devices at the same time.

Supports 8-hour of talk-time
on a single charge

Supports wireless charging.

8 hours | **Wireless Charging**
long battery life

¹It supports 360° omnidirectional audio pickup. MAXHUB SPEAKERPHONE needs to be within a 5m range and 20° tilt angle during a call. ²It supports wireless charging. ³Based on 100% battery level. ⁴Based on 100% battery level. ⁵Based on 100% battery level. ⁶Based on 100% battery level. ⁷Based on 100% battery level. ⁸Based on 100% battery level. ⁹Based on 100% battery level. ¹⁰Based on 100% battery level.

Product Specification

Audio Pick-up

Pickup Distance	5 meters radius
Microphone	6 array microphones
Frequency	100 Hz-15kHz
Sensitivity	-38dBV
Signal to Noise Ratio	65dB

Amplification

Touch Technology	90dB SPL@0.5m, 1kHz
Writing Tools	≅ 1% @1W/1kHz
Writing Accuracy	≥75dB
Supported Electromagnetic Pen	150Hz~15kHz

Operating System

Port	USB Type C (audio in/out + charge 5V/2A) AUX 3.5MM (audio in/out)
Bluetooth	BT4.2+EDR
Mode	Music mode/call mode (under Bluetooth mode)
Buttons	6 (power, answer/hang up, mute, Bluetooth, volume+, volume-)
Indicator Light	Power & Volume Indication

Physical Specification

Dimension (Diameter*Height)	120mm*35mm
Net Weight	380g
Color	Dark Gray

Battery

Battery Capacity	7.4V/2200mAh
Charging Requirement	Wire 5V/2A Wireless 5W/dual mode (optional)
Lifetime on a single charge	Up to 8 hours

Operating Environment

Operating Temperature	0°C ~ 40°C
Operating Humidity	10% ~ 90%
Storage Temperature	-20°C ~ 60°C
Storage Humidity	10% ~ 90%
Operating Altitude	5000 meters and below
