P3L

Cost-effective thermal receipt printer delivering performance, flexibility, and reliability

Markets

Retail
Hospitality

The affordable P3L thermal receipt printer is the perfect solution for businesses looking for **reliable performance** and **flexibility**. Designed to support existing and new applications with its **triple interface** design, the P3L supports USB, serial, and ethernet connectivity. Ideal for retail and hospitality, the P3L's 250mm/second print speed ensures quick transactions at the point-of-sale. Built for longevity, it is equipped with a **long-life print head** and **autocutter**. Engineered utilizing Custom's 30+ years of printing expertise, the P3L is the leader for **cost-effective** thermal POS printers.

Key points

Triple Interface

The P3L comes standard with USB, Serial, and Ethernet interfaces for maximum connectivity

250mm/s Print Speed

With a print speed of 250mm/s, the P3L will save your business time at the checkout

Cost Effective

The easy-to-use P3L is our most cost-effective POS receipt printer and includes both USB and Serial interface cables

Durable

Leveraging Custom's 30+ years of printing expertise, the P3L features a long-life print head and autocutter

CUSTOM/POS and OPOS Compatible

Supporting both CUSTOM/POS and OPOS, the P3L is an easy drop-in replacement for the majority of POS applications

P3L - Cost-effective thermal receipt printer delivering performance, flexibility, and reliability
